Summer's hot, but our camp is cool!

PERFORMING ARTS & MUSIC

PERFORMING ARTS & MUSIC

KIDS MUSICAL THEATER JUNIOR

Experience musical theater in a fun, Full-day, two-week camp for 3- 5 graders! Your child will work alongside accomplished Greater Washington Area professional artists during daily rehearsals in dancing, singing, and acting. With props and costumes, singing and scene-work, your child's experience will culminate in a performance of a full-scale, youth-appropriate main stage show for friends and family!

Age: 7-9

Date: 6/18 - 6/29, 7/09 - 7/20, 7/23 - 8/03, 8/06 - 8/17, 8/20 - 8/31

Tuition: \$599+\$30fee/2 Weeks

KIDS MUSICAL THEATER ADVANCED

Experience musical theater in a fun, Full-day, two-week camp for 5- 8 graders! Your child will work alongside accomplished Greater Washington Area professional artists during daily rehearsals in dancing, singing, and acting. With props and costumes, singing and scene-work, your child's experience will culminate in a performance of a full-scale, youth-appropriate main stage show for friends and family!

Age: 10+

Date: 6/18 - 6/29, 7/09 - 7/20, 7/23 - 8/03, 8/06 - 8/17, 8/20 - 8/31

Tuition: \$599+\$30fee/2 Weeks

KIDS MUSICAL THEATER MINI

Experience musical theater in a fun, Full-day, two-week camp for 3- 5 graders! Your child will work alongside accomplished Greater Washington Area professional artists during daily rehearsals in dancing, singing, and acting. With props and costumes, singing and scene-work, your child's experience will culminate in a performance of a full-scale, youth-appropriate main stage show for friends and family!

Age: 4-7

Date: 6/18 - 6/22, 6/25 - 6/29, 7/02 - 7/06, 7/09 - 7/13, 7/16 - 7/20, 7/23 - 7/27, 7/30 - 8/03, 8/06 - 8/10, 8/13 - 8/17, 8/20 - 8/24, 8/27 - 8/31

Tuition: \$299+\$15fee/1 week

PERFORMING ARTS & MUSIC

PERFORMING ARTS & MUSIC

MUSIC ENSEMBLE JUNIOR & ADVANCED

This is a music rehearsal class. The main objective of this course is to offer the opportunity for students to polish their performing skill through orchestral music repertoire, audition and performance preparation, and additional assistance with future music study. In each class, the students will be given a lecture on the music theory and orchestral literature and work on musical pieces. Also the students will be tutored in performance technique during group practice.

Music Ensemble Junior

Age: Prerequisite

Date: 7/23-8/03.

Tuition: \$599/2 Weeks

Music Ensemble Advanced

Age: Prerequisite

Date: 6/18-6/29.

Tuition: \$599/2 Weeks

DANCE, DANCE, DANCE JUNIOR & ADVANCED

Dance, Dance, Dance camp is a place for any student to refine their dance, movement, and rhythm skills. Styles covered during the course of the session include Jazz, Modern, and Hip-Hop. Sessions will be based on your child's proficiency, level of experience, and ability to work productively in a group. Moreover, in each component of the course, students will acquire fundamentals, flexibility and creative exercise, focusing most heavily on the techniques, alignment, positions and posture of each genre.

Dance Junior

Age: 6-8

Date: 7/09-7/20

Tuition: \$599

Dance Advanced

Age: 9+

Date: 8/06-8/17

Tuition: \$599

FASHION SHOW - DESIGNING & MODELING

Provide your child the chance to discover their inner designer and model and raise their self esteem greatly! Students will refine their artistic eye in regards to fashion, decorate their own garments, and hone their modeling skills. This course will culminate in a professional style runway show where students will be able to present what they have worked on and showoff their new skills.

Age: 8+

Date: 7/02 - 7/06, 8/27 - 8/31.

Tuition: \$299/ Week

HIP-HOP

Students who love to move or want to hone their performance will focus in on Hip-Hop, a style of dance developed from street and music culture. This is great for any student looking to be more active and learn a more physical discipline. Students will work on beat and rhythm recognition, performance etiquette, and flow of movement. Students will apply this knowledge to both classic and modern hip-hop styles and work up to a performance at the end of the session where they can share their new knowledge and performance talent.

Age: 7+

Date: 7/02 - 7/06.

Tuition: \$299/ Week

LEGO JUNIOR ROBOTICS & SIMPLE MACHINE

The Simple Machines includes everything you need to inspire and empower elementary students (5+) to discover how the world works focusing on basic machine mechanics. Ignite the students' desire to learn about science and engineering concepts with a wide selection of engaging activities, including: Observing and investigating machines, following a design brief, and working with observing, reasoning, predicting, reflecting and critical thinking.

Age: 5-8

Date: 6/18 - 6/22, 7/02 - 7/06, 7/16 - 7/20, 7/30 - 8/03, 8/13 - 8/17, 8/27 - 8/31.

Tuition: \$349/1 week

LEGO JUNIOR ROBOTICS & POWERED MACHINE

Powered Machines provides a more nuanced understanding of constructing and powering robots and machines for elementary students (7+). Students will build robots and machines with various mechanical mechanisms and functions and participate in team building activity and problem solving tasks that will promote understanding of powered machines.

Age: 7+

Date: 6/25 - 6/29, 7/09 - 7/13, 7/23 - 7/27, 8/06 - 8/10, 8/20 - 8/24.

Tuition: \$349/1 week

LEGO JUNIOR ROBOTICS & MORE TO MATH

More To Math is a lego hands-on educational tool for younger kids (5+), targeted at teaching mathematical problem solving - a key component of today's mathematics curriculum. Students can learn a lot from rich mathematics lessons and lego engineering lessons that also inspire teamwork, encourage perseverance, and promote a positive attitude toward solving math problems.

Age: 5-8

Date: 6/25 - 6/29, 7/09 - 7/13, 7/23 - 7/27, 8/06 - 8/10, 8/20 - 8/24.

Tuition: \$349/1 week

LEGO ADVANCED

Under the guidance of an experienced STEM instructor and Lego Robotics coach, students ages age 9-14 will learn how to design, build, and program working robots using the latest Lego Mindstorms EV3 robotics kit. With each project, your child will develop their skills in problem solving, designing, engineering, and programming. Students will even be able to do some robot customization and races.

Age: 9+

Date: 6/18 - 6/22, 6/25 - 6/29, 7/02 - 7/06, 7/09 - 7/13, 7/16 - 7/20, 7/23 - 7/27, 7/30 - 8/03, 8/06 - 8/10, 8/13 - 8/17, 8/20 - 8/24, 8/27 - 8/31.

Tuition: \$349/1 week

LEGO JUNIOR ROBOTICS & LEARN TO LEARN

Come work with your hands, create and build with friends, and strengthen your 21st century learning skills! Through collaborative building activities of structures, mechanical forms, etc. students will develop greater creativity, critical thinking, and problem solving.

Age: 5-8

Date: 6/18 - 6/22, 7/02 - 7/06, 7/16 - 7/20, 7/30 - 8/03, 8/13 - 8/17, 8/27 - 8/31.

Tuition: \$349/1 week

SCIENCE SPECTACULAR

This WCFC camp is designed for the budding scientist eager to experiment, have creative experiences, and develop scientific understanding! Throughout the course, students will be participate in activities and experiments that cover multiple fields of science including, but not limited to basic physics, engineering, and chemistry.

Age: 7+

Date: 7/02 - 7/06, 8/13 - 8/17.

Tuition: \$349/ Week

WCFC MEDIA CREATION & PRODUCTION

Read all about it, WCFC is here with hard hitting news and well developed digital content! Perfect for a student looking to develop writing and technical skills. Students will work with a media professional to cover the essentials of the news, capture important stories, and produce written, digital, and video stories for friends, family, and the community to see.

Age: 9+

Date: 6/18 - 6/22, 7/16 - 7/20, 8/27 - 8/31.

Tuition: \$349/ Week

WEB DESIGN & SCRATCH CODING

For tech savvy tweens looking to learn and build upon essential coding concepts. This is an essential class to help students compete in the 21st century economy. Through progressively more difficult coding technical exercises students will design and build their own sites and games.

Age: 9+

Date: 7/02 - 7/06, 7/23 - 7/27, 8/06 - 8/10.

Tuition: \$349/ Week

RASPBERRY PI PROGRAMMING

Not many kids can say they have built their own computer and programmed their own games, but the campers in our Raspberry Pi programming course can! Campers will be engaged with programming, design, and engineering. Students will participate in a series of activities and games that develop technical skills and approaches and prepare the child for a lifetime of building technology!

Age: 8+

Date: 6/25 - 6/29, 7/30 - 8/03.

Tuition: \$349/ Week

3D MODELING & PRINTING

3D printing is one of the newest, innovative technologies on the market. During this course students will plan for, design, model, and create 3D projects, many of which will be printed on our center 3D printers. Students will have access to state of the art technology, quality programming, and a unique learning environment.

Age: 10+

Date: 7/09 - 7/13, 8/20 - 8/24.

Tuition: \$349+\$20 fee/ Week

GRAPHIC DESIGN I - PEN, MARKER, TEXT, & GRAPHICS

Before there were computers artists used pen and guache (a watercolor material) to create images for print. These artists still relied on the elements and principles of art, but also incorporated type and logos into the mix. In this course students will learn sophisticated pen, marker, and layout work necessary for the illustration and design field. The course will culminate with exploration of digital manipulation of art works.

Age: 9+

Date: 8/06 - 8/10, 8/20 - 8/24.

Tuition: \$299/ Week

GRAPHIC DESIGN II - PEN, MARKER, TEXT, & GRAPHICS

Graphic Design II campers will work like graphic designers and refine previously established drawing and art making skills. And through the use of artistic design software campers will focus on commercial design and digital illustration. Also, they learn the nuances of typography, a major component of graphic design, and layout, how the images and text are compiled together. Students will walk away with creative graphic hard copy works and digital files.

Age: 10+

Date: 8/13 - 8/17.

Tuition: \$299/ Week

DRAWING & PAINTING JUNIOR

Young artists looking to have some creative fun this summer and develop strong artistic skills do not want to miss out on this summer camp. Students will cover the fundamentals of art - line, shape, color, form, value, texture though the use of different two dimensional media drawing, including, but not limited to pencil, oil pastel, watercolor, acrylic painting, and marker. Students will use the knowledge learned, creativity, and imagination to express themselves and develop a wonderful portfolio for all to see.

Age: 5-8

Date: 6/18 - 6/22, 7/02 - 7/06, 7/16 - 7/20, 7/30 - 8/03, 8/13 - 8/17, 8/27 - 8/31.

Tuition: \$299/1 week

DRAWING & PAINTING ADVANCED

Refine your art skills and prepare for middle and high school courses. This class is a more advanced approach to painting that involves observation, planning, and developed painting techniques. Students will work on their own sketchbook each day. Also, will use previous knowledge of elements of art and principles of design and brush techniques to create works of art inspired by the works they view and creative themes.

Age: 9+

Date: 6/25 - 6/29, 7/09 - 7/13, 7/23 - 7/27, 8/06 - 8/10, 8/20 - 8/24.

Tuition: \$299/1 week

GETTING CRAFTY JUNIOR

This is a hands on, craft making camp for any young student who likes to work with their hands and create! Students will go beyond traditional painting and drawing to create works of art. Projects in this camp include, but are not limited to, collaging, fiber arts, wire sculptures, and paper mache. This is a great camp for any students looking to work with lots of unique materials and get crafty!

Age: 5-8
Date: 6/25 - 6/29, 8/20 - 8/24.
Tuition: \$299/1 week

CERAMICS INTRO TO CLAY

Get ready to work with mud! Students will learn basic clay hand building techniques, pinch, coil, and slab, as well as important ceramics vocabulary. Once the works are fired, students will be in awe of what they were able to build during this course!

Age: 5-8
Date: 7/09 - 7/13, 7/23 - 7/27, 8/06 - 8/10.
Tuition: \$349/1 week

GETTING CRAFTY ADVANCED

In this mixed media camp, students will go beyond traditional painting and drawing to create works of art and functional pieces. Projects in this camp include, but are not limited to, collaging, fiber arts, wire sculptures, and paper mache. This is a great camp for any students looking to work with lots of unique materials and get crafty. Artists will walk away with practical skills related to building, sewing, and creating.

Age: 9+
Date: 7/02 - 7/06, 7/16 - 7/20.
Tuition: \$299/1 week

CERAMICS HAND BUILDING INTENSIVE

A camp for the ceramcist in training. Students will review basic hand building forms, pinch, coil, and slab. Then they will build upon previous ceramics skills to create refined clay pieces. In addition to using basic ceramic form, students will learn to create more complex pieces and to use more sophisticated ways of decorating and glazing the pieces. Students will create both decorative and functional pieces to really be impressed with.

Age: 9+
Date: 6/18 - 6/22, 8/13 - 8/17.
Tuition: \$349/1 week

CERAMICS

HAND BUILDING, INTRO TO THE WHEEL

Campers will build upon previous ceramics skills to create refined clay pieces. In addition to using basic ceramic form, students will learn to create more complex pieces and to use more sophisticated ways of decorating and glazing the pieces. During this camp, everyone will have a chance to work on the wheel and develop smoother professional style pottery works.

Age: 10+

Date: 7/16 - 7/20, 7/30 - 8/03.

Tuition: \$349/1 week

COMICBOOK

CREATION

Walk through the steps of a professional cartoonist to create a personal, one of a kind comicbook. Start off with exploring various cartooning techniques and ways of planning out a visual story. Then select your favorite techniques and a variety of high quality artist materials to create your own illustrated story in the form of a comicbook. Who knows, maybe we have the next Garfield cartoonist on our hands!

Age: 9+

Date: 7/30 - 8/03.

Tuition: \$299/ Week

INTRO TO

CHINESE BRUSHWORK

Chinese brush painting is a tradition dating back thousands of years. Students who enter this class will join a long line of traditional Chinese painters who create elaborate works in a specific Eastern style. Paintings will include traditional subject matter such as of landscape painting, flower design, and birds. Additionally students will learn basic calligraphy work. Meanwhile students may also gain various skills such as ways of using Chinese brush, traditional ink, mineral colors and many other materials in water and ink painting.

Age: 5-8

Date: 6/18 - 6/22, 7/09 - 7/13, 8/27 - 8/31.

Tuition: \$299/ Week

STORYBOOK & ILLUSTRATION

Attention young authors and illustrators, do we have the camp for you! Plan, develop, and write an original story complete with unique characters and beautiful settings. Then design your book cover and learn to illustrate important portions of the book. The course will culminate with an author/illustrator sharing of works and students will walk away with developed literary skills and a professional style book.

Age: 9+

Date: 8/27 - 8/31.

Tuition: \$299/ Week

PUBLIC SPEAKING JUNIOR

Public Speaking Junior aims to equip children with the oral communication skills necessary to present in front of an audience. Students work on basic speech writing, speech delivery, and even have a chance to do some basic argument development. Children will walk away with higher confidence in their abilities to explain their point of views and tell stories.

Age: 7-9

Date: 6/18 - 6/22, 6/25 - 6/29, 7/02 - 7/06, 7/09 - 7/13, 7/16 - 7/20, 7/23 - 7/27, 7/30 - 8/03, 8/06 - 8/10, 8/13 - 8/17, 8/20 - 8/24, 8/27 - 8/31.

Tuition: \$349/1 week

FUTURE INVESTORS - MONEY MANAGEMENT

Planning and keeping track of goals and learning to be a competent member of our society has never been more fun! Campers will learn about the ABCs of Finance and Business and the world of savings and investing. And through unique activities campers will be able to design their own dream life and set financial goals to work towards their dreams.

Age: 8+

Date: 7/16 - 7/20, 7/30 - 8/03, 8/13 - 8/17.

Tuition: \$349/1 week

PUBLIC SPEAKING ADVANCED & DEBATE

Public Speaking Advanced & Debate provides a platform for developed written and oral persuasion and argument. Over the course of the week students will work on research, personal persuasive pieces, and formal debate procedure. This course will culminate in a final presentation and tournament in front of family and friends.

Age: 9+

Date: 6/18 - 6/22, 7/09 - 7/13, 8/06 - 8/10, 8/27 - 8/31.

Tuition: \$349/1 week

LEADERSHIP DEVELOPMENT

The WCFC is committed to training and empowering youth to take ownership of and responsibility for the community around them. Team building activities, basic public speaking practice, diversity and cultural understanding are just some of the components of this excellent opportunity for developing tweens and teens.

Age: 9+

Date: 6/25 - 6/29, 7/02 - 7/06, 7/23 - 7/27, 8/20 - 8/24.

Tuition: \$349/1 week

CHINESE CULTURAL TOUR 乐在华夏 JUNIOR

This is a theme-based, age appropriate, Chinese Immersion Program that utilizes engaging academic, recreational, and artistic activities. Campers will focus on daily-life related topics, such as school and social activities, Chinese holidays and festivals, travelling in China, cartoon stories, sports in China, Chinese fun math, animals and plants, etc. All activities involve Chinese vocabulary and conversation.

Date: 6/18 - 6/29, 7/09 - 7/20, 7/23 - 8/03, 8/06 - 8/17, 8/20 - 8/31.

Tuition: \$499/2 Weeks

GYM JUNIOR & ADVANCED

This camp is designed for the beginner gymnast. Olympic gold could be in your child's future, all they need is proper training when they are young and even if they aren't reaching for the gold, they can work on building muscle, balance skills, and coordination through jumping, climbing, manipulative skills, and circuits. Repetition and routine is KEY! Our goal is to teach the proper drills and skills towards accomplishing specific goals.

Gym Junior

Age: 5-8

Date: 6/18 - 6/22, 6/25 - 6/29, 7/02 - 7/06, 7/09 - 7/13, 7/16 - 7/20, 7/23 - 7/27, 7/30 - 8/03, 8/06 - 8/10, 8/13 - 8/17, 8/20 - 8/24, 8/27 - 8/31.

Tuition: \$299/1 week

Gym Advanced

Age: 9+

Date: 6/18 - 6/22, 6/25 - 6/29, 7/02 - 7/06, 7/09 - 7/13, 7/16 - 7/20, 7/23 - 7/27, 7/30 - 8/03, 8/06 - 8/10, 8/13 - 8/17, 8/20 - 8/24, 8/27 - 8/31.

Tuition: \$299/1 week

WUSHU JUNIOR & ADVANCED

WuShu is an honored martial art that originated from China. Today, WuShu has become the National Sport in China and well-practiced among all ages. WuShu training helps students learn discipline, respect, and self-control, build confidence and self-fulfillment all while developing physical conditioning, flexibility, balance, coordination, and reflexes. Campers will gain both mental and physical benefits. Students will be trained and given drills based on their skill level.

WuShu Junior

Age: 5-8

Date: 6/18 - 6/22, 6/25 - 6/29, 7/02 - 7/06, 7/23 - 7/27, 7/30 - 8/03, 8/20 - 8/24, 8/27 - 8/31.

Tuition: \$299/1 week

WuShu Advanced

Age: 9+

Date: 6/18 - 6/22, 6/25 - 6/29, 7/02 - 7/06, 7/23 - 7/27, 7/30 - 8/03, 8/20 - 8/24, 8/27 - 8/31.

Tuition: \$299/1 week

GT EARLY : G1&2 IN FALL

Don't let the summer put your child in a slump! Unique, engaging academic materials and assignments, over the course of two weeks, will help each camper to retain previous knowledge and acquire more advanced information for years to come. Let our program supplement your child's education and raise their understanding and self-esteem. Once your child has completed this program they will have the confidence to enter advanced courses this Fall!

Age: 7

Date: 8/20-8/31.

Tuition: \$549/2 weeks

GT ENRICHMENT : G3 IN FALL

Don't let the summer put your child in a slump! Unique, engaging academic materials and assignments, over the course of two weeks, will help each camper to retain previous knowledge and acquire more advanced information for years to come. Let our program supplement your child's education and raise their understanding and self-esteem. Once your child has completed this program they will have the confidence to enter advanced courses this Fall!

Age: 8

Date: 6/18-6/29,7/23-8/03.

Tuition: \$549/2 weeks

GT ENRICHMENT : G4 IN FALL

Don't let the summer put your child in a slump! Unique, engaging academic materials and assignments, over the course of two weeks, will help each camper to retain previous knowledge and acquire more advanced information for years to come. Let our program supplement your child's education and raise their understanding and self-esteem. Once your child has completed this program they will have the confidence to enter advanced courses this Fall!

Age: 9

Date: 7/09-7/20,8/06-8/17.

Tuition: \$549/2 weeks

MULTI-THEME

Multi-theme camp is a space for children to develop multiple interests. Campers will get to try everything from visual arts to STEM experiments and everything in between. This camp provides a safe and fun learning environment where your children can grow, create, experiment and discover. Students will be split into groups for age appropriate activities.

Age: All Age

Date: 6/18 - 6/22, 6/25 - 6/29, 7/02 - 7/06, 7/09 - 7/13, 7/16 - 7/20, 7/23 - 7/27, 7/30 - 8/03, 8/06 - 8/10, 8/13 - 8/17, 8/20 - 8/24, 8/27 - 8/31.

Tuition: \$279/1 week

LEARNING TO COOK

Learning to Cook Camp is a wonderful intensive introduction into the culinary world. Students will learn not only how to prepare delicious dishes, but they will also learn proper kitchen etiquette and food service skills. With their new found cooking confidence students may even desire to assist in the kitchen at your family's home!

Age: 7+

Date: 6/25 - 6/29, 7/16 - 7/20, 7/23 - 7/27, 8/06 - 8/10.

Tuition: \$349/1 week

MAGIC

Abra kadabra, alakazam, help my child have the best summer ever! Campers will work with an experienced magician on simple card and slight of hand tricks. Eventually they will progress to stage illusions. They are sure to impress their friends and family with their new found magic skills.

Age: 5-8

Date: 7/02 - 7/06, 8/20 - 8/24.

Tuition: \$349/1 week

CHESS

Known as “the game of kings”, chess provides a plethora of life skills and cognitive benefits, such as problem-solving skill development and memory and concentration improvement. So, whether your child is a novice with knights or heading towards grand master, this is a great camp for them to work on their skills, challenge themselves, and play to their hearts content.

Age: 7+

Date: 7/09 - 7/13, 8/13 - 8/17.

Tuition: \$349/1 week

PRE-K: MINI SCIENTISTS & ENGINEERS

Explore the outdoors, feel gooey things, explore the world around us! Little ones have the opportunity to learn about science through our interactive, hands-on, age appropriate science activities.

Age: 3-5

Date: 6/18 - 6/22, 7/23 - 7/27.

Tuition: \$349/1 week

PRE-K: MINI ARTISTS

Get ready for colorful, messy, creative works of art, both two and three dimensional! As campers create their works they will also be working on fine motor skills, shape and color recognition, and material identification. Tasks will vary based on developmental needs and independence level of your child.

Age: 3-5

Date: 6/25 - 6/29, 7/30 - 8/03.

Tuition: \$349/1 week

EARLY EDUCATION

PRE-K: MINI BILINGUALS

Children gain multiple cognitive benefits from learning a second language at a young age. Whether the child is already speaking Chinese at home or you are interested in having them pick up some vocabulary, this class filled with fun games and interactive activities will reinforce language acquisition skills and Chinese language recognition.

Age: 3-5
Date: 7/02 - 7/06, 8/06 - 8/10.
Tuition: \$349/1 week

PRE-K: MINI ALTHELETS

Get your little one off the sofa and running, jumping, moving, and playing with lots of friends! Campers will explore a variety of sports and games in a child safe gym. This camp is designed to increase fine and gross motor skill development, coordination and balance, spatial and perceptual awareness.

Age: 3-5
Date: 7/09 - 7/13, 8/13 - 8/17.
Tuition: \$349/1 week

EARLY EDUCATION

PRE-K: MINI PUPPETS & STORIES

This is an imagination development program for little campers. Through puppetry, storytelling, and song campers will explore traditional and modern stories. Campers will even walk away with some of their own little puppets and memories of a fantastic time!

Age: 3-5
Date: 7/16 - 7/20, 8/20 - 8/24.
Tuition: \$349/1 week

SCHOOL READINESS

Whether your child is entering into a pre-k program or is gearing up for kindergarten, this is the camp for them! School readiness will provide the necessary foundation to improve attention and literacy skills. Campers will have a great time preparing for situations that may arise during the school day. Enable your child to enter school with their best foot forward.

Age: 3-5
Date: 8/27 - 8/31.
Tuition: \$349/1 week
